BOTTOM MOUNT REFRIGERATOR

Fingerprint Resistant Stainless*

Model: RB15N6ASE

Bottom Mount Refrigerator

Also available in:

RB15N6ABE

VCM

Fingerprint Resistant- Offers a protective coating on the stainless steel to keep your appliance looking beautiful

Multi Air-Flow - allows for an even distribution of cool air throughout each compartment, maintaining ideal storage temperature and less temperature variance.

Pocket Handles- Fits seamlessly into your kitchen without taking up extra space

HIDDEN CONTROL PANEL

Cleverly includes this digital display inside the fridge, allowing for a minimal, clean, sleek design for your kitchen.

SUPER FREEZE FUNCTION

Quickly lowers the temperature and freezes food fast.

TOTAL FROST-FREE FREEZER

With total no frost technology, there is no ice build up in the appliance, making defrosting a thing of the past. This helps keep your food fresher for longer.

WARRANTY

One (1) year parts and labour
5 years sealed system

*Also available: RB15N6ABE (black)

Stylish and roomy - Plenty of space for everything

The all-new Hisense 14.8 cu.ft. fingerprint-resistant* bottom mount refrigerator is engineered for efficiency. Hisense is leading the way with innovative design and technology, doing our part to help the planet with beautifully designed refrigerators that deliver great energy efficiency. The convenient Reversible Doors make it a perfect addition to your home. It's packed with advanced performance features, like a multi-function touch control panel, electronic temperature control, a Holiday Power-save function and more. The refrigerator's easy-slide drawers, adjustable glass shelves, large fruit and vegetable crisper, and even a twist icemaker provide unmatched convenience. With exceptional smarts, good looks and versatility, the Hisense Stainless 14.8 cu.ft bottom mount refrigerator is a smart choice that will suit any home.
